

Professional Engineering 2010 Provisional Editorial Schedule

Issue	Press Day	Publication Date	Special Report	
1	22 January	27 January	Engineering software	
2	5 February	10 February	Design	Training
3	19 February	24 February	Automotive	
4	5 March	10 March	Manufacturing	
5	26 March	31 March	Environment	Training
6	16 April	21 April	Automation	
7	30 April	5 May	Design	
8	14 May	19 May	Test and measurement	
9	28 May	2 June	Manufacturing	
10	11 June	16 June	Engineering Software	Training
11	2 July	7 July	Aerospace	
12	23 July	28 July	Process	
13	13 August	18 August	Defence	
14	3 September	8 September	Design	
15	17 September	22 September	Automotive	
16	1 October	6 October	Test and measurement	Training
17	15 October	20 October	Engineering Software	
18	29 October	3 November	Manufacturing	
19	12 November	17 November	Design	
20	3 December	8 December	Energy and Power
